2023 Atlantic Canada Skating Championships

March 24-26, 2023

Paradise Double Ice Complex, Paradise, NL

Please see the announcement with information regarding the upcoming Atlantic Canada Skating Championships. The top 6 competitors from each of the following categories at the 2023 SCPEI STARSkate Provincial Championships will qualify for the ACSC in Newfoundland:

- STAR 5-Gold
- Pre-Juvenile U11 & U13
- Juvenile U12 & U14
- Pre-Novice (qualified from Sectionals in December)

If a skater is unable to attend ACSC, skaters will be contacted in their order of placement (starting from seventh place), until a replacement is found, or no competitors remain in the category.

Due to the ACSC being held in Newfoundland this year, Skate Canada PEI will provide \$200/skater funding to assist with the costs associated with travel. This funding will only be received after the completion of the event.

Registration deadline is 48 hours after the completion of our STARSkate Provincials, March 13th, 2023. Registration for all categories will take place on the Skate Canada Newfoundland and Labrador registration website <https://skatenf.uplifterinc.com/>.
