A Heartfelt Thank You from the Summerside Skating Club

The Summerside Skating Club extends our deepest and most sincere thanks to everyone who helped make this championship such a meaningful and memorable event. Hosting a competition of this size is truly a community effort, and we are incredibly grateful to each person who gave their time, energy, and heart to ensure its success.

To our dedicated officials, thank you for your professionalism, expertise, and the care you bring to every performance. Your knowledge and commitment to excellence help create a fair and inspiring environment for our skaters.

We also wish to express our appreciation to the Skate Canada PEI team. Your guidance, encouragement, and behind the scenes support played an essential role in bringing this event to life. We are thankful for your partnership and leadership within our island skating community and beyond.

To our tireless volunteers, there are simply not enough words to capture our gratitude. As a community based, volunteer run organization, events like this are only possible because of people who step forward to help. From planning and preparation to set up, music, registration, hospitality, and clean up, you gave your time so generously. Your kindness created a warm and welcoming experience for every skater and family who walked through the doors.

We would also like to extend a heartfelt thank you to 511 West for catering and keeping the officials and volunteers well fed throughout the event. Your

delicious food and warm service added to the positive experience for officials, and volunteers alike.

To the team at Credit Union Place, thank you for your support and assistance throughout the planning process. Your professionalism and willingness to help made every step smoother and less stressful. A special thank you to the maintenance team for keeping the facility clean, welcoming, and running seamlessly, and for maintaining the beautiful ice surface that allowed our skaters to perform at their very best.

We are also deeply grateful to the City of Summerside for providing such a wonderful facility for our community. Having a space that brings people together and supports sport at all levels is something we truly value. Most of all, we thank our skaters and their families. Your dedication, sportsmanship, and love of the sport are what inspire us year after year. Watching athletes support one another, celebrate achievements, and persevere through challenges reminds us why skating and our community is so special.

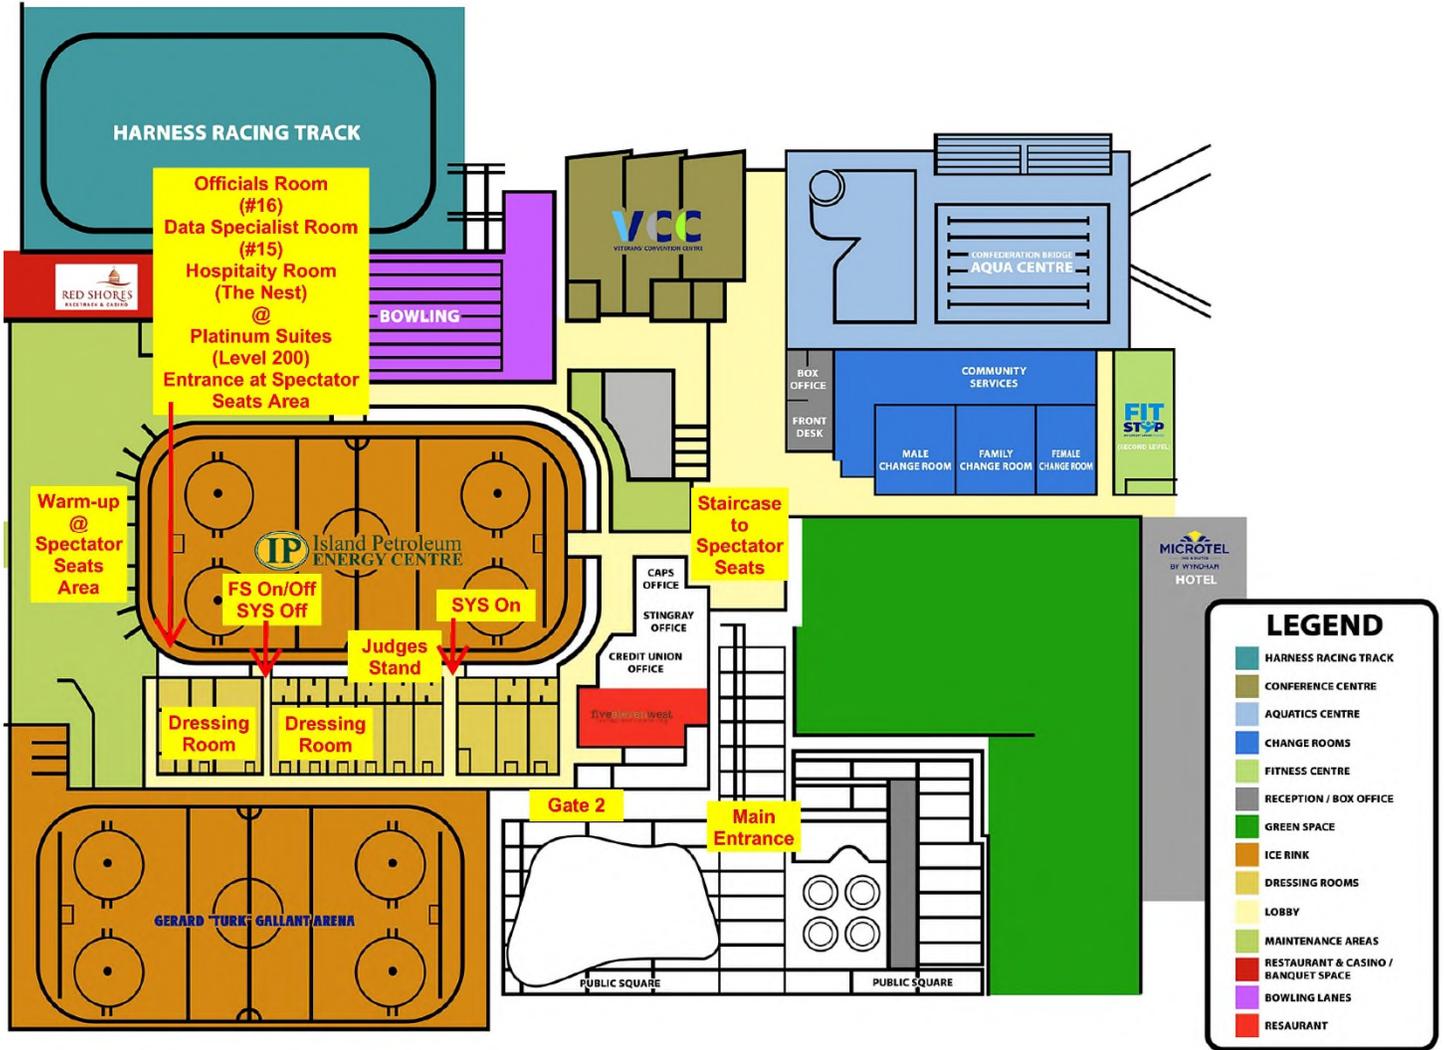

This championship is more than a competition. From its humble beginnings to when it was called 'Date to Skate' to today and now and how it is an event the whole skating community looks forward to. It is a celebration of community, teamwork, and shared passion for figure skating. We are incredibly proud of what we accomplished together and honored to be part of such a supportive and caring skating family.

Thank you to everyone who contributed in ways big and small. Your efforts made this event truly unforgettable.
